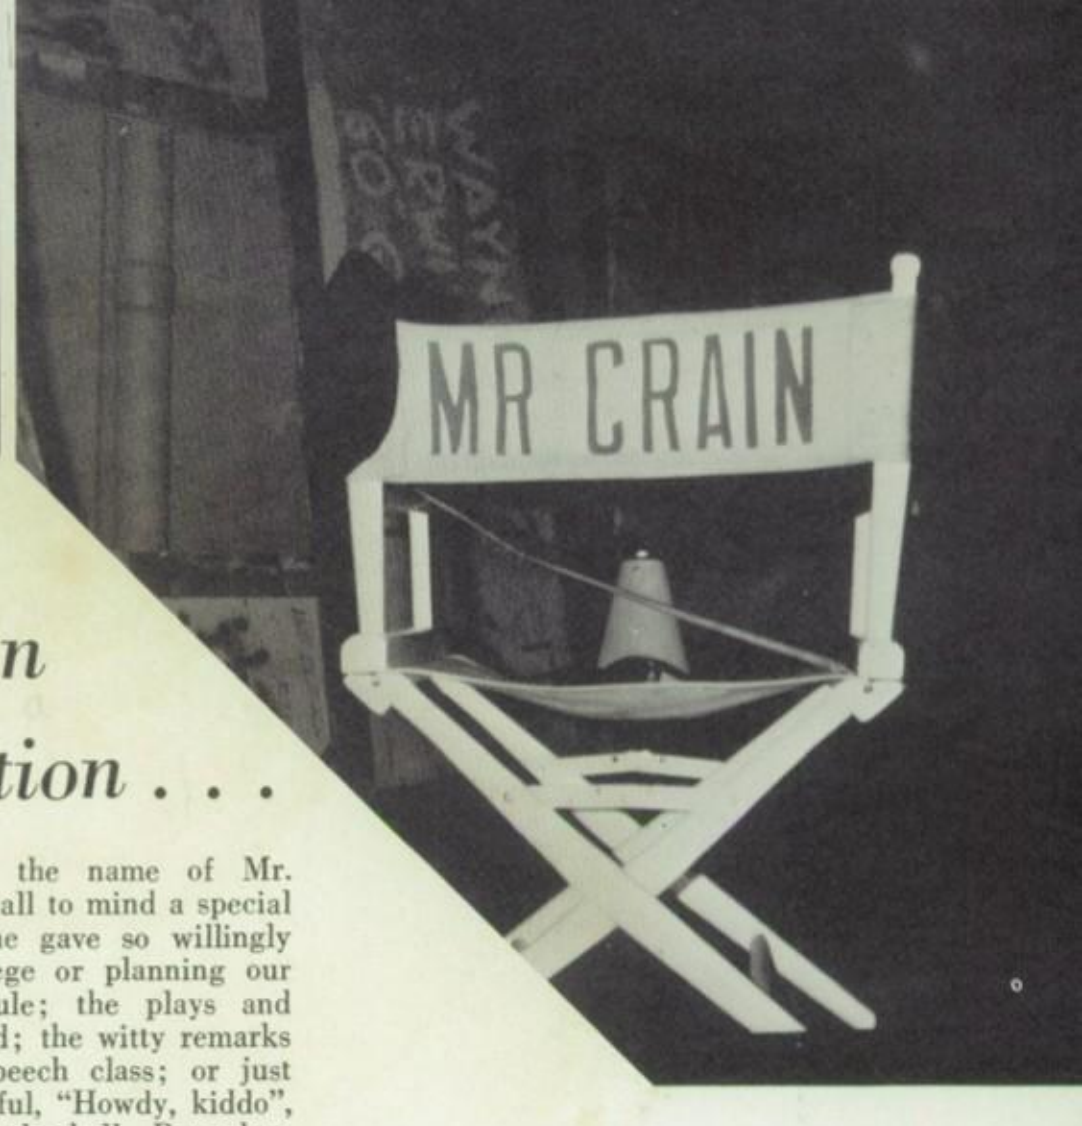
In Dedication . . .

Mr. Eugene Crain



In Dedication . . .

To each of us the name of Mr. Eugene Crain will call to mind a special memory—the aid he gave so willingly in choosing a college or planning our high school schedule; the plays and musicals he directed; the witty remarks he made during speech class; or just his smile and cheerful, "Howdy, kiddo", as he walked down the hall. But whatever the memory, Mr. Crain will be thought of because he has endeared himself to every student at White Station.

As a result of his tireless devotion, the White Station speech department is among the finest in the South. His excellence as a speech teacher is only partially reflected in the honors and awards his students have won and also by the admiration and respect he is given. Each of us is familiar with the long line of theatrical successes he has directed and with the effort that went into such professional performances.

As guidance counselor he has aided many students in their choice of college and schedule. His warm personality immediately puts students at ease and helps to quiet their fears about the mysteries of college life.

For all you have done for each of us and for our school, and because of the deep regard we hold for you, it is with great appreciation and honor that we dedicate the 1965 SHIELD to you,

Mr. Eugene Crain

The Board of Education is constantly at work providing new and varied opportunities for the student to better prepare himself. A sincere vote of thanks is due Mr. Stimbert and his staff for making Memphis schools known for their scholastic excellence.

Mr. Rush W. Siler

Principal

There is one man at White Station that everyone knows and respects, and he is our principal, Mr. Rush W. Siler. We meet him many times a day—leading our assemblies, helping us solve our problems, and speaking his now famous words, "It has come to my attention . . ."

In these and hundreds of other ways, Mr. Siler has come to symbolize White Station. It has been through his diligent work and continuous effort that we now enjoy our school's fine reputation. In fourteen years, Mr. Siler has brought White Station from a small county school to one of the finest schools in Memphis.

However, Mr. Siler has worked not only for the school. He has served the community in past years as president of both the Kiwanis Club and the Memphis Principal's Association and has been chairman of the Prep League Association.

Busy at work for White Station

Principals

MR. DONALD MILLER
Assistant Principal

White Station is fortunate to have Mr. Donald Miller assisting Mr. Siler in his administration duties as principal. His major duty is the supervision of the Junior High. Mr. Miller came to White Station after serving as a science teacher at Bellevue for five years.

Guidance Counselors

Mrs. McGinnis, Mr. Crain, and Mrs. Randle work together throughout the year in arranging classes and schedules.

As youth it is often difficult for us to recognize the need for proper adult guidance. Yet the youth of White Station recognize the need for and have this supervision in our principal, our teachers, and our three devoted guidance counselors, Mrs. Dorothy McGinnis, Mrs. Eleanor Randle, and Mr. Eugene Crain.

These three diligently work throughout the day solving students' varied problems. A complete library is located in their office containing the latest college catalogues, vocational aids, and standardized test information.

Diane Levy is helped in choosing a college by Mrs. McGinnis and Mr. Crain, while Mrs. Randle confers with an eighth grader regarding his high school schedule.

Secretaries

Our secretaries, Miss Jane Hipp and Mrs. Virginia Bankston, perform invaluable services for White Station. No matter what the job may be, they are always cheerful and ready. We take for granted many of the tasks they do, which are necessary to keeping a school functioning. We can thank them for seeing that tests are run off or checking on absentees to prevent skipping. But, whatever the task, they do it well and efficiently.

"Jane, You just mimeographed my hand!"

"No, this is not Shoney's and we do not take orders to go!"

"Wonder what it would be like in a normal office?"

Unknown to many, the work and planning on the '65 SHIELD was begun early last spring. Pictures were taken, advertisers sought out, layouts were planned. Aided by our knowledgeable advisor, Mrs. Nutt, the nine editors and fifty staff members have labored long and hard to produce this pictorial and literary record of the happenings, the credits, the glories of White Station this year. Now, the last flashbulb has popped, the hectic routine of pictures, captions, sports, clubs, or ads has ceased, and that last deadline has been met. We of the 1965 SHIELD are proud of this yearbook. We only hope that we have successfully captured the spirit of White Station and that the students will be happily reminded of the events and people that made 1964-65 the year it was.

The SCROLL, White Station's student newspaper, celebrated ten years of publication in December, 1964. It is published monthly by and for the students, under faculty supervision. It is one of few papers published by a Memphis high school to contain six pages at frequent intervals, and published in October, 1964, its first eight page edition. The SCROLL has been awarded first place accreditation by the Columbia Scholastic Press Association and the International Quill and Scroll rating, and is one of the top two newspapers published by Tennessee public high schools. Applicants for the writing staff spend six weeks in a journalism course before becoming members of the staff. A similar program is held for the business staff.

Since its inception in 1959 as the first literary magazine published by a Memphis public school, the SCRIBBLER has provided an outlet for the creative and artistic talents of students in the tenth, eleventh, and twelfth grades. As a result of the outstanding short stories, poems and essays submitted by the students, the careful screening of the editorial board, and the excellent illustrations of the art staff, the SCRIBBLER has been highly accredited by the Columbia Scholastic Press Association for its consistently professional quality.

A service club for school and community, the White Station Key Club dedicates itself to numerous projects throughout the year, intending to serve in any and all possible ways. White Station's Buzz Book is a product of Key Clubbers and the boys have also taken part in several charity drives during the year. PRESIDENT

CHARLES CAMERON

Maintaining high standards of character, exhibiting outstanding ability in leadership and scholarship, and providing worthwhile tasks of service are the cardinal virtues of the members of the National Honor Society. Under an amendment to the constitution this year, four per cent of the junior class and six percent of the senior class will be inducted, instead of the former five and ten per cent. Selling Yell-a-Phones to promote school spirit, distributing honor roll ribbons, and conducting the biannual induction and banquet helped keep Honor Society members busy. A future Honor Society project will be a follow-up of the class of 1961, under the direction of Mrs. McGinnis. Mr. McClaren and Miss Todd, the faculty advisors, provided helpful counsel throughout the year. The second semester officers are Jim Murphy, President; Bobby Appelson, Vice-president; Susan Schiff, Secretary; Joe Clift, Treasurer.

Music is one of the finest goals for a young person to achieve. The members of Modern Music Masters, more commonly known as Tri-M, have this goal in common. Inductees are selected on a merit basis. The requirements include musicianship, character, attitudes, leadership, scholarship, and service. Students eligible for Tri-M have had a minimum of one semester of music with grades of "A" or "B", while maintaining a "C" average in academic subjects, Tri-M inspires talented students to develop themselves on their own fields of music, to strive for the peak of their capacities, and to share their accomplishments with their school, churches, and community.

Dramas produced by the Thespians in the past year were "Night Must Fall" and "Harvey." The Boyfriend" is the musical being presented by the Thespians jointly with the music departments.

Planned for the spring banquet are presentations of awards for Best Actor and Actress, Best Thespian, and Honor Thespian, along with the installation of next year's officers.

The chapter hosted the Regional Convention in February. It has also provided tutors for math students, and supplied math puzzles for the *Scroll*. We of the Mu Alpha Theta feel that we have come closer to our aims and hope future members will go even further in furthering math at White Station.

Several of our students have been selected for both West Tennessee and All State Bands, A solo and ensemble contest and a band-rating contest are to be held at Memphis this year, and Mr. Vergos is chairman of these contests. A trip to Hot Springs will be made late in April for solo, ensemble, and band contests, also.

The White Station Dance Band has seen its most active year practicing for suppers, at hospitals, and at convalescent homes throughout the city. To the list of musicals such as OKLAHOMA!, BABES IN ARMS, and THE KING AND I, with which the band has helped in the past, THE BOYFRIEND will be added this spring.

These are not as musically inclined as the band.

Judy has appeared before the King and Queen of the Cotton Carnival, the Governor of Tennessee, and several college audiences.

Driving hard through the line, Dan Kuiken is met head on by a pair of Overton defenders.

WSHS–21, Frayser–7

More than just beginner's luck, this victory proved to forecast the '64 Spartans' record almost from start to finish. Threatening from the very beginning, our boys scored 2 points on a safety early in the second quarter, and then rushed right back in for another 6 on a pass to Phil Steele with three minutes left in the half. Continuing agression led to our last score in the third quarter, but a last ditch rally by the Rams kept us from leaving them scoreless.

WSHS–20, Kingsbury–7

Moving against their first division competition, the Spartans outscored Kingsbury in an uphill battle. Although losing the statistical margin, White Station showed up with the winning score. Two long passes from Dick Cockrell, 23 yards to Larry Busby and 35 yards to Phil Steele, broke the Falcons' back early in the game and Dick ran the last score himself from the 1-yard line. Dan Kuiken led the ground attack and Howard Butler's tremendous toe tallied an average of 50 yards on three kicks.

WSHS–6, CBHS–14

Despite a terrific team effort and a sparkling aerial assault, the Spartans were once again forced to concede to the mighty Brothers. Our boys were out to take this game and dug in early with an unrelenting drive to score in the first quarter. Quarterback Cockrell threw to Larry Busby to score in the last two minutes, climaxing an aerial and ground attack utilizing Busby, Phil Steele, and James Kisner. The Brothers came on strong after our kick-off and scored with nine minutes left in the half, but were stumped for the remaining time by Spartan defense. Then, late in the third quarter, Bill Ivey recovered a fumble on our own 15-yard line and we quickly moved to the Brothers' 6. With a last heart-stopping play, Dick Cockrell fired to Ronnie English in the end zone, but the ball fell incomplete. Only after a 61-yard score by CBHS's Gene Spiotta were the battling Spartans able to threaten the goal again, but the clock canceled the chance for a touchdown.

WSHS–21, East–7

Smoothly overpowering the Mustangs, the Spartans "eased by East" for their third victory, scoring all 21 points in the first half. Tallying first was James Kisner, who plowed up the middle for 45 yards. Dick Cockrell completed the scoring, first on a pitch to Dan Kuiken for 5 yards, and then on a 7-yard pass to Ronnie English, with Jim Wittenberg kicking all three extra points. East rallied in the last quarter for a single tally, but was then stalled by the Spartan defense until time ran out.

WSHS–14, Overton–7

Sparkling defense pushed the Spartan gridders to this hard-won victory over the Overton Rebels. Beginning the scoring was an amazing punt recovery by Phil Steele in the second quarter. Howard Butler produced the punt from the WS 40-yard line and when it bounced into Overton's end zone Phil pounced on it. Jim Wittenberg kicked to make it 7-0. Another defensive break gave the Spartans their second score when James Kisner and Erwin Ostrow tackled an Overton punter behind the lines before he could get off his kick. From there, it was only a matter of quarterback Cockrell's polished passing and rushing to the 1-yard line, where Dan Kuiken slammed in the score and Wittenberg added the frosting. The relentless Rebels roared back in the last quarter with spectacular running and seven points from quarterback Ben Roberts, but time was again on our side, and this was their only tally.

WSHS–26, Humes–7

Passing with his usual perfection, Spartan Dick Cockrell dominated this game, clobbering the helpless Tigers. Larry Busby scored first on a neat 61-yard punt return in the first quarter, but all the rest were Cockrell's. Two were short passes to Phil Steele, one in the second quarter, and one in the third, but the best was a spectacular 49-yard aerial to Brad Baker. Jim Wittenberg kicked two successful extra points to make it 26-0. Humes' only success was a beautiful 100-yard touchdown by Bobby Elrod, who picked up the ball, ironically, on a pass interception.

Out in the open is Spartan Ronnie English, heading deep into East's territory.

Charles Streicher stops an Overton ball-carrier in mid-stride.

WSHS–20, Westside–12

Threatened little by Westside until the second half, the Spartans put this one down only after embattled Jim Wittenberg successfully directed two quarters, replacing injured quarterback Dick Cockrell. Cockrell led the scoring in the first half, sneaking 4 yards for the first, and passing 28 yards to Phil Steele for the second touchdown. Injured just before the half, however, Dick relinquished his duties to sophomore Wittenberg, who let the Wildcats score twice but brought home the victory, rushing a total of 68 yards and scoring on a 31-yard run.

WSHS–13, Treadwell–0

After a scoreless first-half duel, Dick Cockrell opened up this game in the third quarter with a 61-yard drive to score, capped by a 5-yard run over the goal. Sparked by success, the Spartans drove on to blank the Eagles with another TD in the last 2 minutes. A pass interception by Phil Schuyler turned the trick and Dan Kuiken ducked over for the kill.

WSHS–21, Messick–13

Conquering an old rival was the object of our homecoming and with the Panther's stinging defeat came second place in the Eastern Division for the mighty Spartans. Thundering in from the kickoff, James Kisner drove back 38 yards and sparked our first TD, chalked up by Dick Cockrell on a 2-yard dive. After a touchdown by the maddened Panthers, the Spartans fought their way out of a penalty setback to break away for a second score. The attack was led by Cockrell and Phil Steele, who finished it on a 5-yard pass, followed by a perfect extra point kick, the second of three by Jim Wittenberg. Roaring back, Messick matched us with a tally in the next 5 minutes, but their extra point was blocked by Kisner, retaining our lead. Messick's comeback only serving to fire the Spartans, they staged their own rally in the last minutes of the first half. After Wittenberg moved into Panther territory on the kickoff, Cockrell aimed a beautiful leaping pass at Kisner, who clicked off 40 yards into the end zone. The Spartans then dug in for the second half to hold onto their margin, withstanding heavy losses in yardage and a called back touchdown by the struggling Panthers. When the final gun sounded, White Station was still far out in front and the Panthers were locked up tight.

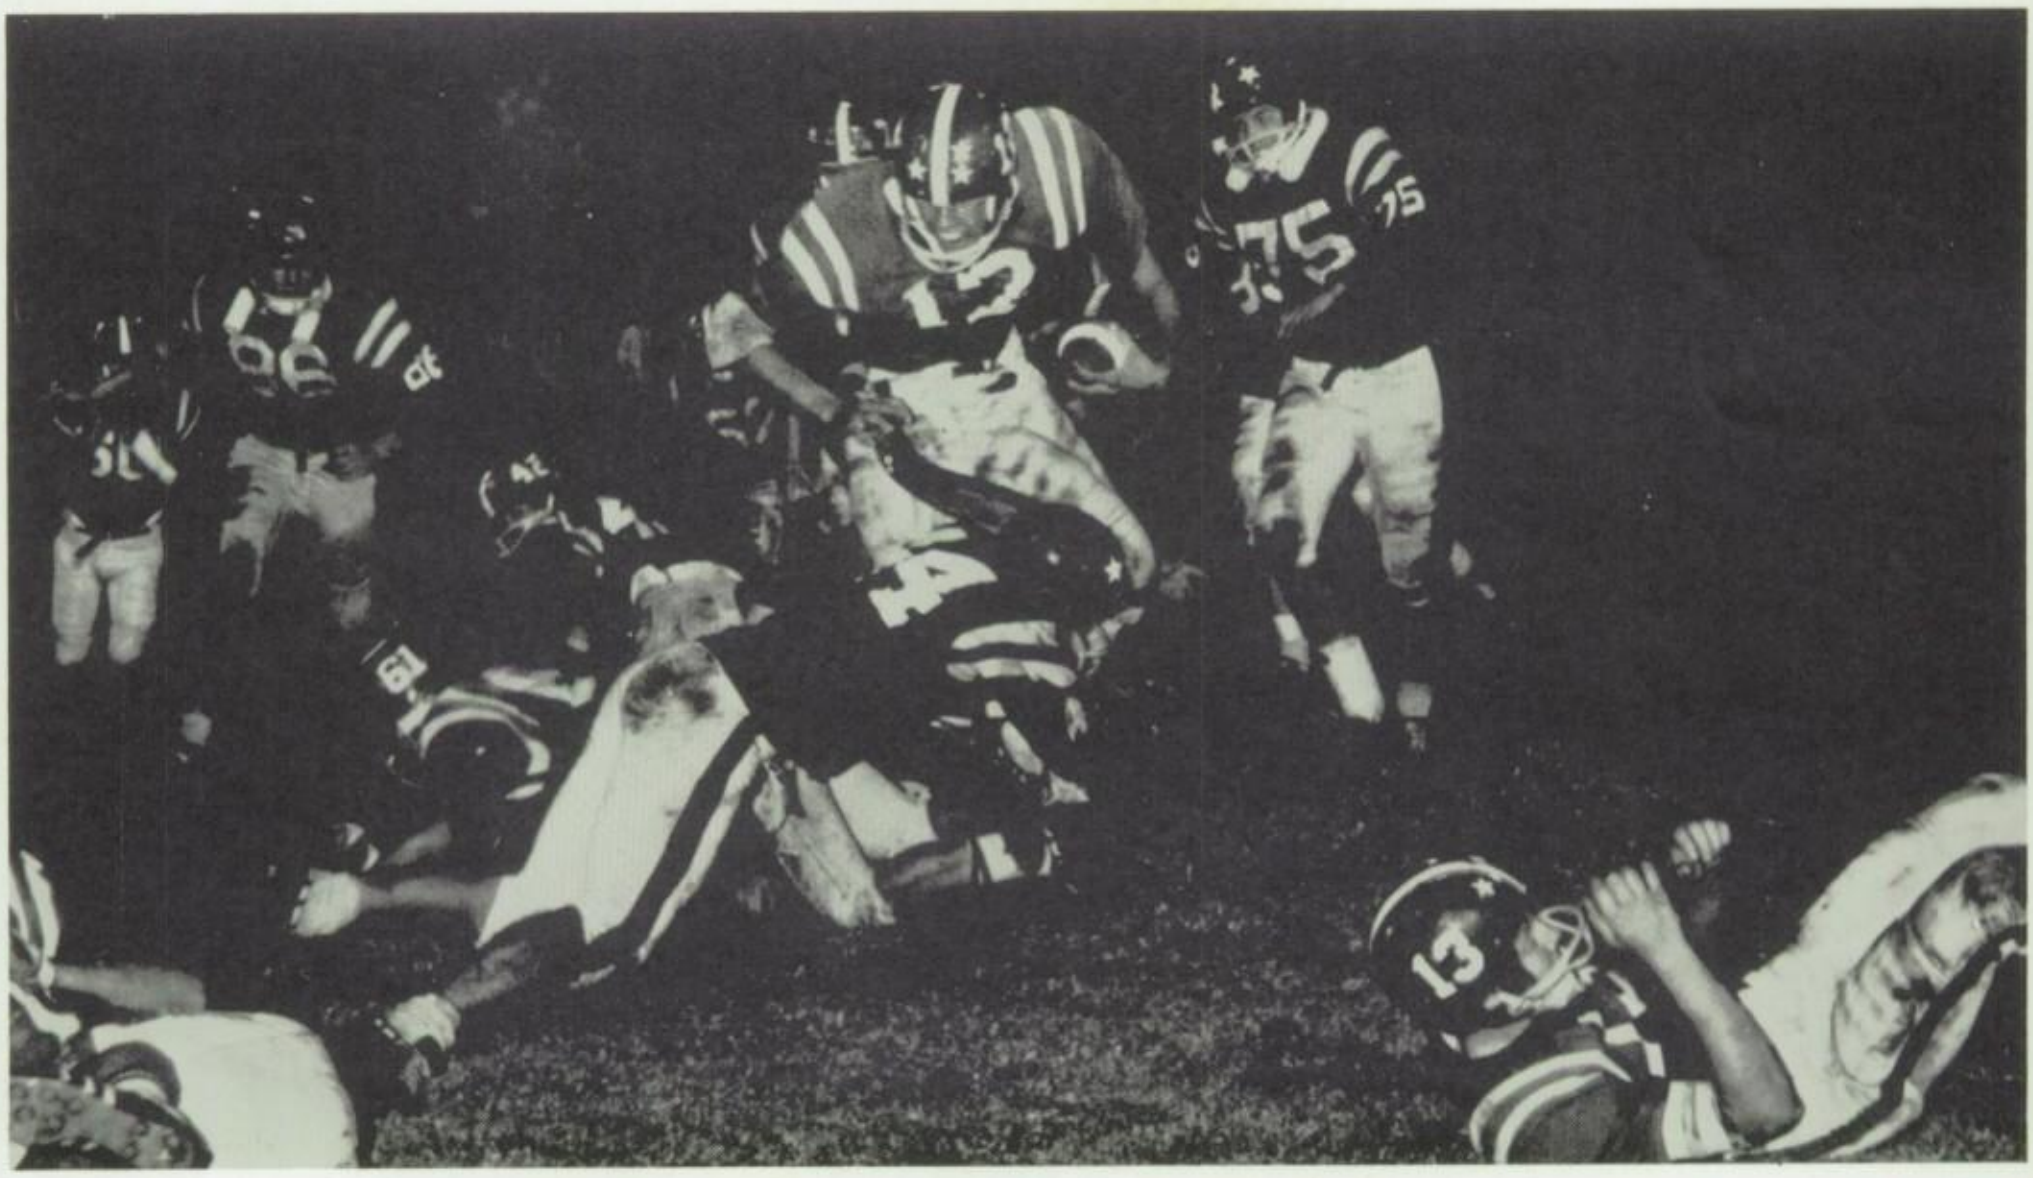
WSHS–7, MUS–6

Barely squeaking by tough MUS, the Spartans played this one for keeps to extend their winning streak to 7 straight games. Fighting uphill all the way, the Spartans' scoreless first half depended on fine running by James Kisner and hard-nosed defensive rushing to keep the Owls penned. The third quarter found Kisner busting out from everywhere and, with Dan Kuiken's evasive rushing and Dick Cockrell's fine passing, the Spartans pushed to the 1, where Cockrell dove over for 6 points. Jim Wittenberg smoothly added the decisive point and, although the Owls scored, their extra point was blocked, giving us the decision.

WS GOES TO BLIND GAME

WSHS–7, Southside–13

Topping the most successful season White Station has ever had, the Spartans, as number two in the Eastern Division, were invited to the annual Blind Game, where they suffered a close loss at the hands of Southside. Showing their best skill, the boys scored unerringly in the first five minutes, picking up a kickoff fumble and rumbling over the goal in four downs with a pass from Dick Cockrell to Mike Bradley. Returning the favor, the Scrappers scored early in the second quarter after some hard-won gains on the ground. Making an effort to score again Cockrell completed some fine passes, but Southside's defensive rushing was too much for us and half-time found us stalling for time. Bouncing back, the Spartans gained ground in the third quarter but just couldn't get it over. The Scrappers then really put their noses to the ground, and before they were through the Spartans, still fighting, were finished, 7-13.



Leaving a trail of Panthers behind, quarterback Dick Cockrell is finally brought down.

Unable to switch to lady luck's good side, White Station's basketball team suffered a disappointing season this year, showing up with a 7-17 record. Time and again the Spartan cagers held a lead for most of the game and then were stopped by opponents in the last minutes. Starting the season with six straight losses, the team's outlook could hardly be bright, but after losing to Whitehaven, Selmer, Sardis, Blytheville, Catholic, and Central, the roundballers then succeeded in dumping South Side, 61-29, and Humes, 64-28. The Christmas Tournament saw the Spartans lose one and win one, but the "win" column didn't stretch far. Showing outstanding effort against state-ranked Treadwell, the Spartan five pushed the Eagles hard, but still lost, 61-41. Maddeningly, Messick edged the Spartans, 39-37, winning in the last 12 seconds, and Overton squeaked by us by only 1 point in the last 10 seconds. The remaining successes for the roundballers were against East, CBHS, Overton, and, again, East. Sprinkled with fine players like Jim Murphy, outstanding scorer, and Charles Cameron, defense anchor man, the Spartan's '64 cage team was good in most departments, but just couldn't get out from under a persistent cloud of bad luck.

Phil Steele leaps for the bucket while Dick Cockrell (24), Mike Tebbe (25), and Austin Smith (29) come in for the rebound.

"B" Team

The Green and Gray "B" team had as tough a season as its big brother, turning in a 9-13 record. The victories, however, were good and solid. The Spartans walloped Messick, 50-36 and handed top-ranking Selmer a 43-38 defeat. The roundballers had their share of heartbreakers, also, as they were beaten in the last six seconds by East, 49-47, and, in a second battle with Messick, lost in overtime, 47-44. The team rolled on to beat CBHS and the Kingsbury Falcons. High scorers for the Bees were Lee Moffatt and Gary Shipley, two good prospects for next year.

The 1964 Baseball Season at White Station brought the Spartans a 7-5 record and third place in the Eastern Division. The team opened the season by defeating CBHS, the defending state champions, in an 8-6 thriller. Following were two losses to Messick and Kingsbury, but the Spartans then opened a three-game winning streak by outscoring Overton, 4-3. The boys blanked East, 17-0, and ran over Treadwell, 10-3, but were stopped by CBHS on a return match. The rest of the season saw the Spartans go down only twice more, while winning three.

Honors won by the Spartan batsmen were: Mike Blumenfeld, 1st Team, All-Memphis, Buzzy Belcher, Phil Steele, and C. B. Baker, All-Eastern Division. Not only was Blumenfeld named All-Memphis, but as a result of his fine play in high school, he was signed by the St. Louis Cardinals.

The Spartan track team completed a rather good year in 1964, winning eight out of ten meets in which they participated. The District Meet, however, found them running third behind tough Kingsbury and Frayser, respectively. Meanwhile, Harvey Stauber, WS pole-vaulter, made his way to the State Meet in Chattanooga, Tennessee, placing in the District and Regional Meets along the way.

The outstanding meet of the season for the team was the Ripley Relays, which the boys won with 42 points against Humbolt with 41, Central with 39½, and Ripley with 39.

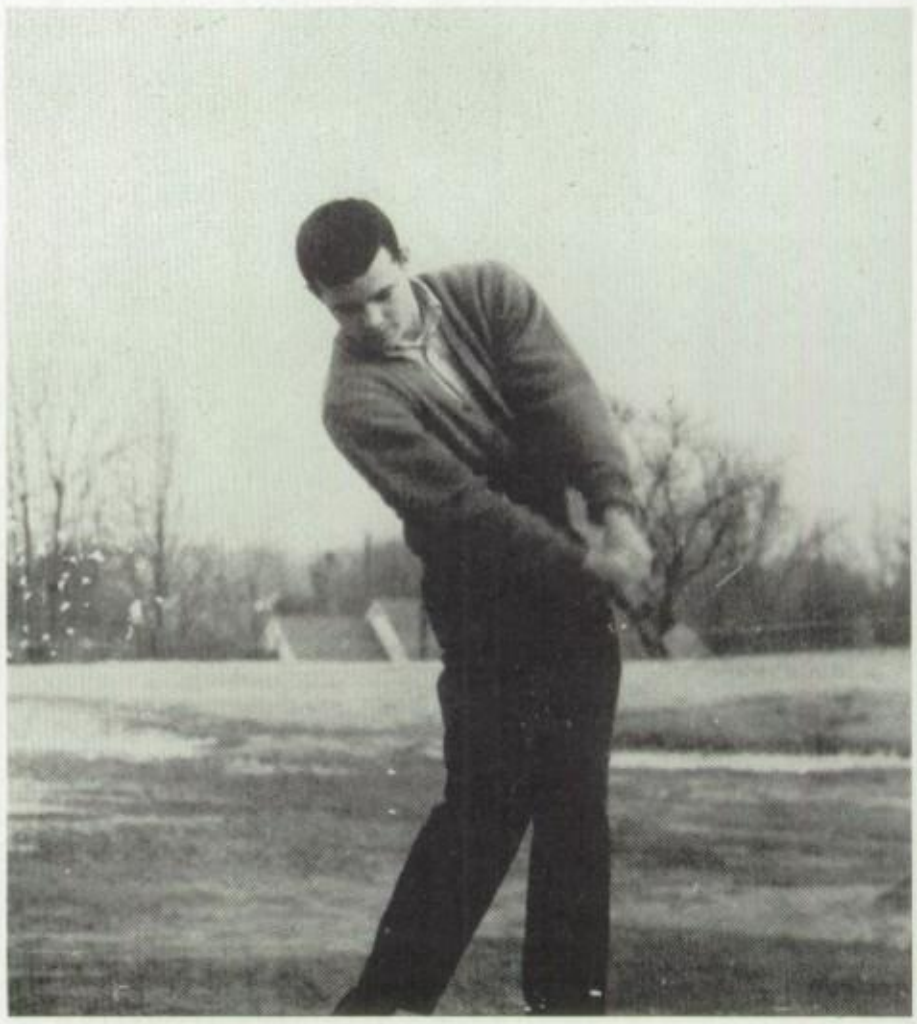
The team's best events were generally the 880, mile, and two-mile relays and the sprints. The relay team showed off the talents of Creech, Moore, Summers, and Williams, pictured above, while Charles Cameron and Lem Eatherly shone in the sprints.

SENIOR GOLF TEAM—left to right: Earl Pate, Jim Wittenberg, Will Sowles.

Senior Golf

White Station's Golf Team took the Memphis city championship for the second year in a row in 1964. The champion team piled up 285 points to win, led by sophomore Dean Overturf, who scored a fine 68.

The City Championship in hand, the Spartan four went on to cop the Regional Title, defeating 20 teams and turning in a low score of 69 by Jimmy Wittenberg. This victory gave the team a crack at the state tournament in Nashville, where the team finished second in Tennessee.



Jim Wittenberg demonstrates his championship form.

SENIOR SWIMMING TEAM—FIRST ROW, left to right: Ryan, Haas, Edelson. SECOND ROW: Lawson, Parker, Durham, Kubik.

Senior High Swimming

The Spartan swimming team once again had a successful season as they swept over opponents for the city championship in 1964. Standouts for single events were Wayne Lawson, setting city records in the 100 meter butterfly and 200 intermediate medley, and Bruce Parker in the 50 meter freestyle. Holmes Ryan, also, set a new city mark in the 100 meter backstroke while Jan Kubik and the freestyle relay team swept the meets. Altogether the team set more than nine city records in the 1964-65 season, and expect an equally fine season in 1965-66 with returning juniors Jan Kubik and Bruce Parker.

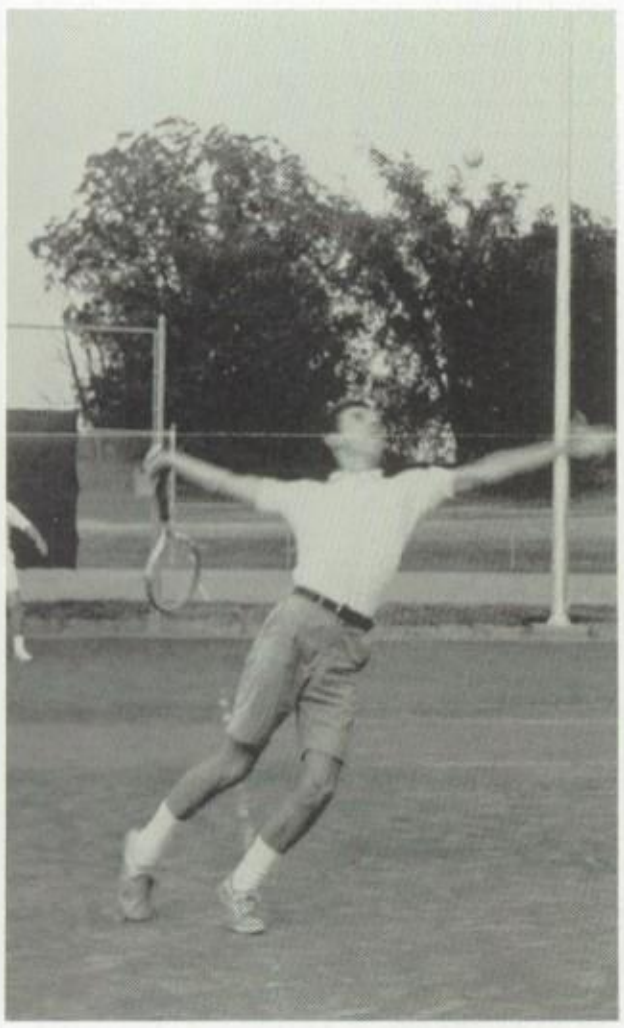
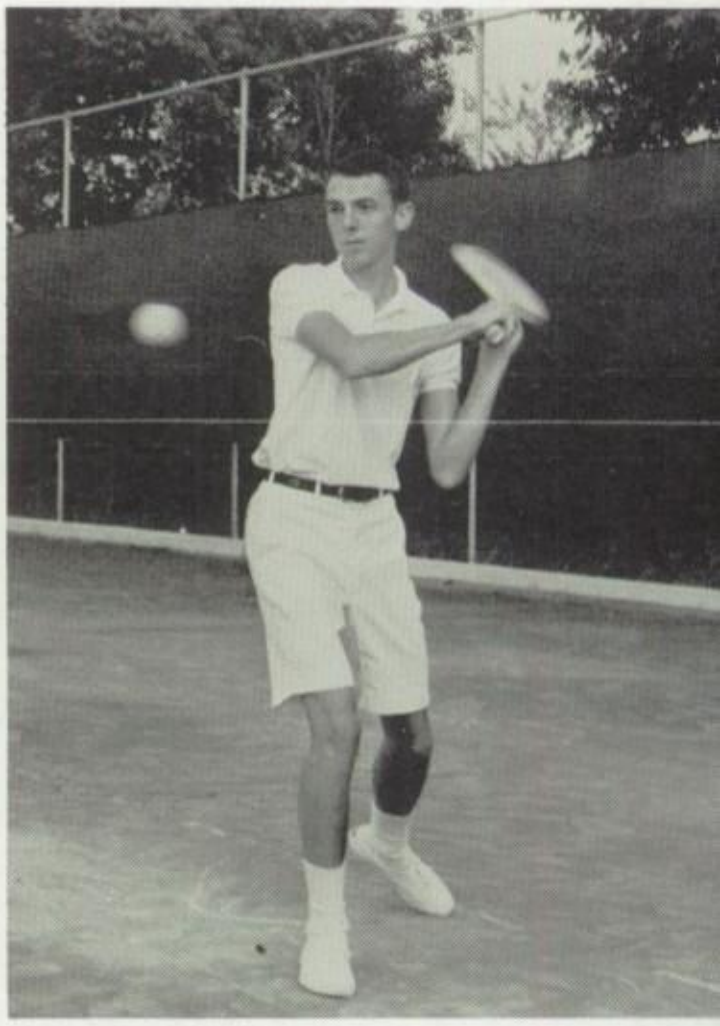
Senior High Tennis



Allen Dunstan strains to produce a mighty serve.

The Senior High Tennis Team, having been hurt by graduation, won five games and lost six. With two matches each Bobby Lindsley and Jon Housholder led the team to fifth place in the city tournament. Other players who were out for the Spartans were Allen Dunstan and Alan Lightman.



Jon Housholder displays his good form.

CROSS COUNTRY TEAM—FIRST ROW, left to right: Green, Coleman, McNabb, Griner. SECOND ROW: Todd, Bellott, Berryman, McNabb.

Cross Country

White Station's Cross Country Team compiled a winning record as they came in fourth in the city and fifth in the regional meet. The White Station Junior High Football Team ended its 1964 season sporting a 7-1 overall record, and taking home the District Two crown. This was the most outstanding record of any Junior High team in White Station's history. Led by fullback Chuck Clark, who compiled an impressive 137 points, the baby Spartans racked up four shutouts in the course of the season. In the outstanding game of the season, Clark scored in the very first play from scrimmage against Bellevue. Robbie Meter passed, and Chuck scurried 45 yards for the tally. He then added three other touchdowns in the decisive 28-0 victory. The junior Spartans' only loss came in the last game of the season, a close decision against Colonial, 7-13.

Chuck Clark was chosen for the first team ALL-MEMPHIS, Robbie Meter, Paul Cameron, and John Mobley were selected for ALL-DISTRICT honors, and Mike Stark and Tim Cheeseman were given HONORABLE MENTION.

In one outing with Bellevue, the Baby Spartans posted 60 points on the scoreboard to set a school junior high scoring record. By defeating Humes twice and Treadwell once, the junior cagers rounded out their winning record and tied for fourth in the District Two standings.

Leading the team in scoring were Alex Thompson and Gary Stevens, while Mike Moore was a standout on defense. Paul Cameron was outstanding on both offense and defense.

Pitcher Bill Nowlin and Guy Miller, top batter, were mainstays of the team, which lost only to Treadwell in a tough no-hitter, 0-3. WHAT'S YOUR NEXT STOP?

Whether you're headed for college, marriage or straight into business, one thing is certain: you'll soon begin to appreciate the need for financial security. Ask Dad about the importance of life insurance—something you'll wish you had when the time comes to raise a family. I'd like to show you both why **now's** the perfect time to start building an insurance program — while you're young and premiums are lower. Have Dad phone me for an appointment.

The Student Council wishes to extend its most sincere appreciation to the entire student body for making possible the most successful year of our Student Council. Without the help of all the students and faculty, this achievement would not be possible.

Through the outstanding leadership, capabilities, and efforts of the students themselves, White Station has been placed in the highest esteem of our community, Memphis, and Shelby County. Most important, White Station has shown the tremendous potential in the young people of today which is characteristic of the leaders of tomorrow.

We can only hope that these characteristics and achievements will become a tradition of White Station and will be passed to those who follow.

Respectfully,
Warren Jordan, President

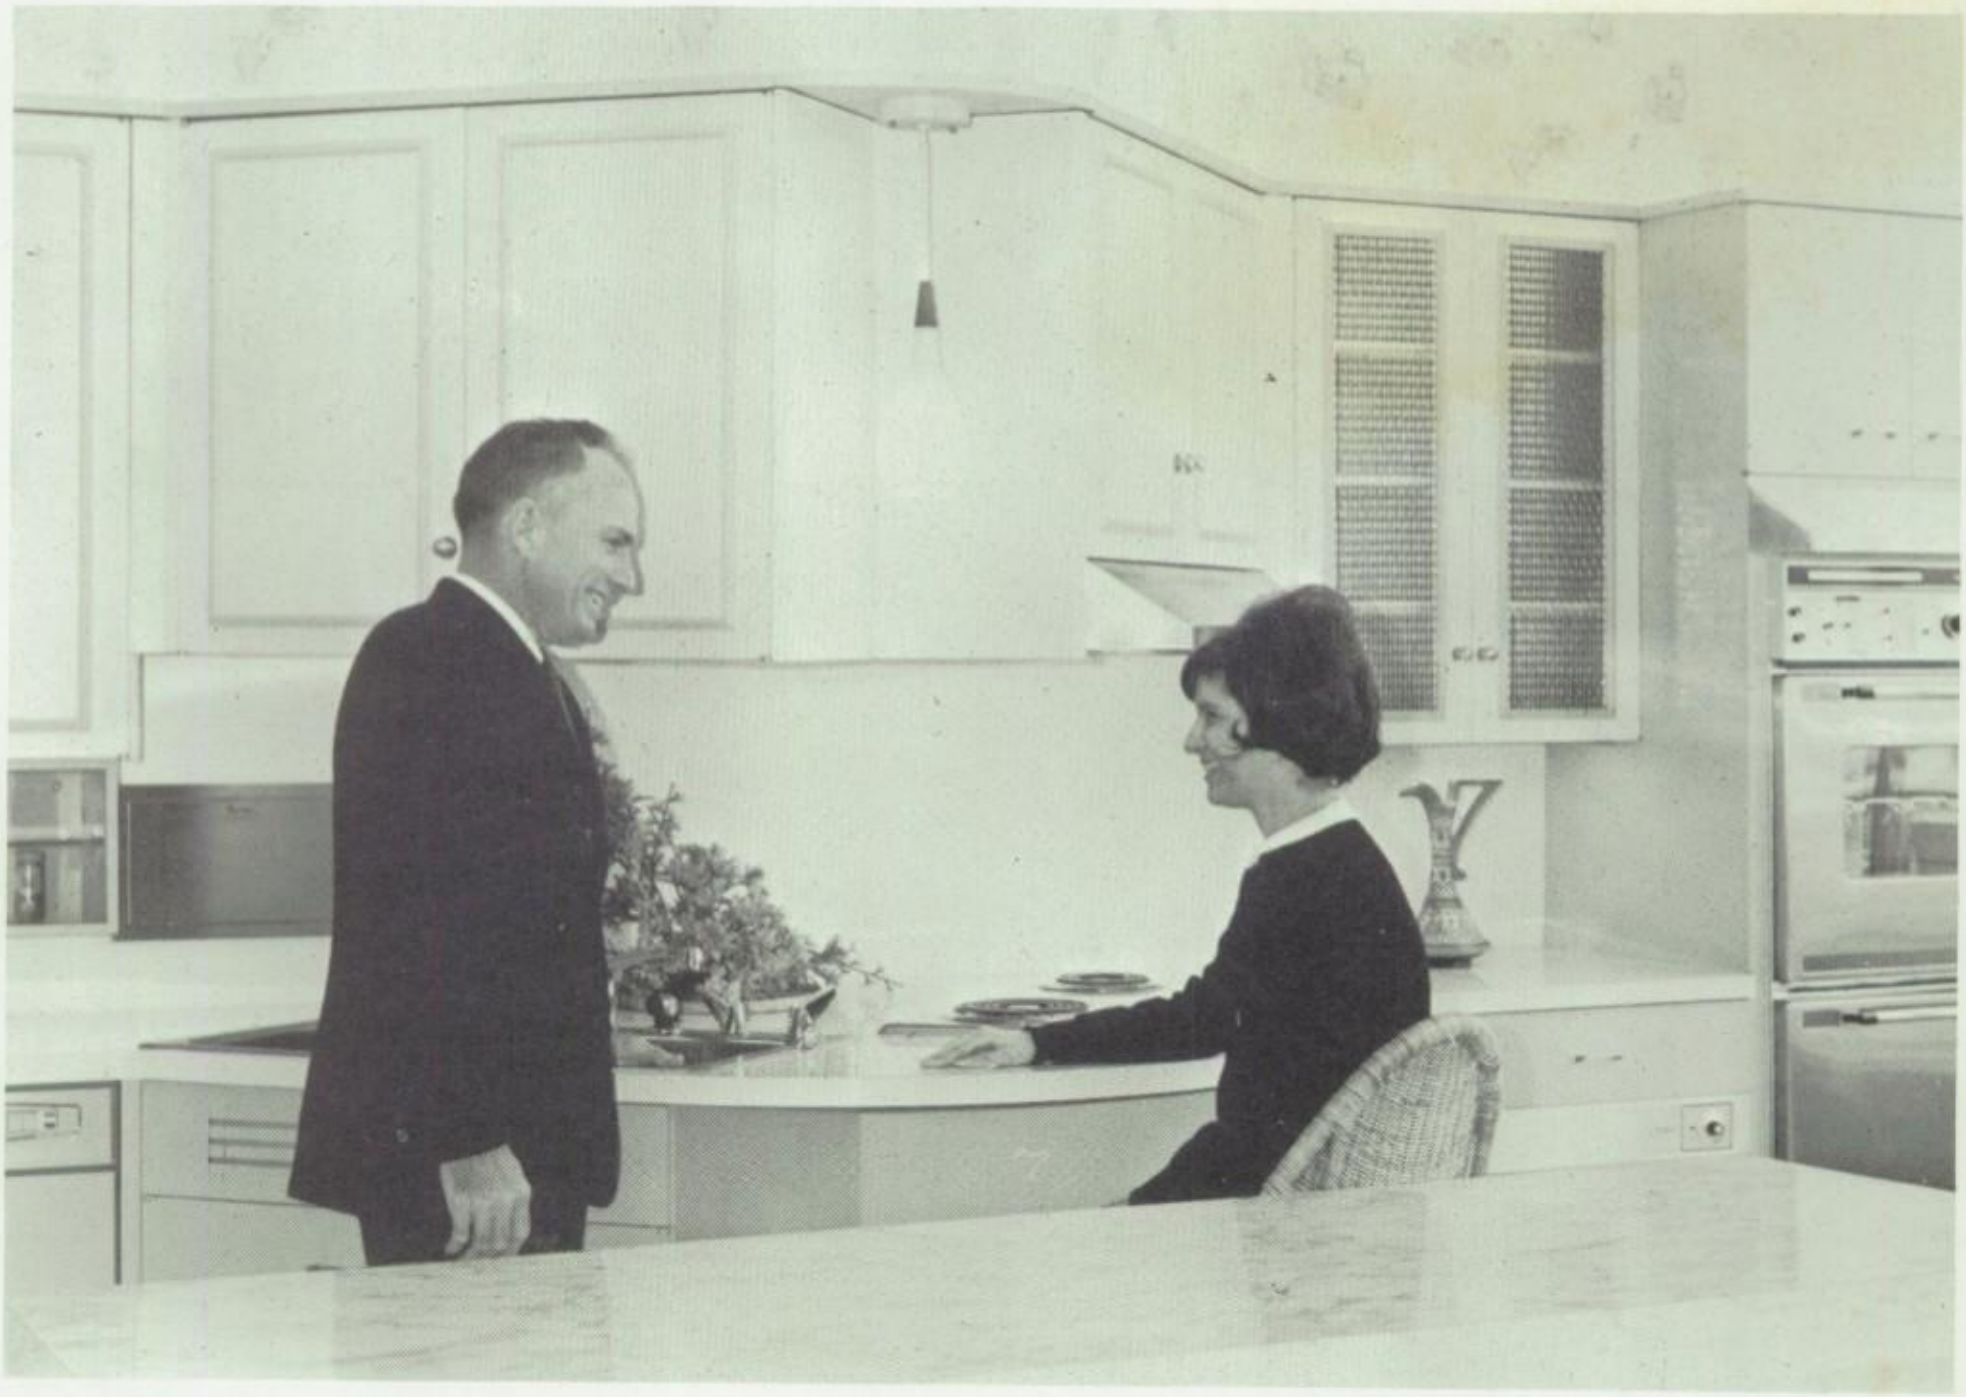
WHAT'S IN A KITCHEN?



Jo Ann Krivcher is finding out from Bill Edmiston as he shows her through the St. Charles display kitchen which features a Thermador Double Oven and Cooktop with Trade-Wind Hoods complemented by a Toastmaster Hot Food Server. The clean-up area providing the time and work-saving convenience of a KitchenAid Dishwasher and National Disposer is accented by the lustrous beauty of the Elkay Stainless Steel Sink. In the food preparation area, a Sub-Zero Built-In Refrigerator and Nutone Food Center complete the picture of an efficient kitchen.
